

COVID-19 and Schools: Students Weigh In

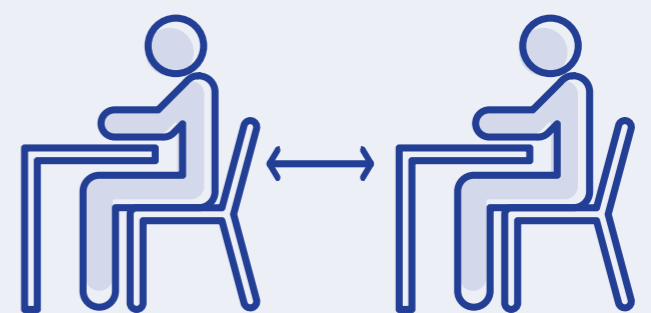

Kids surveyed have a strong understanding of what COVID-19 is and how it spreads

Kids surveyed gave their peers a higher grade versus grownups for following social distancing rules

The top three practices that would make kids feel safer in their school buildings include:

92%

of kids said that their school is doing everything it can to keep students safe from COVID-19

99%

of kids surveyed think it will be really important to continue washing hands even after the COVID-19 vaccine is widely distributed

54%

of kids said the best part of social distancing is spending more time with family
